"Band"-Spanking New!

District High School Bands Debut New Uniforms
at Snake Saturday Parade, March 12

KANSAS CITY—NORTH ... Band students from **North Kansas City and Winnetonka high schools** will be strutting their stuff wearing brand new uniforms at the **21st Annual Snake Saturday Parade** on **March 12** in North Kansas City. The parade begins 11 a.m. at 14th and Swift.

Pat Setser, instrumental music coordinator for the district, says that it's unbelievable how excited the band students from the two high schools are, just to be wearing new uniforms.

"Winnetonka High School band students did not as yet receive their hats, so we'll have the old on," Setser said. "But the rest of '*us*' looks pretty impressive!" Setser's students at Winnetonka have been wearing uniforms that their parents may have worn, 26 years ago.

Watching the students in their new finery will be a crowd of nearly 100,000 that fills the streets of North Kansas City for the annual parade and barbeque festival. This year's theme for Snake Saturday is "Be Happy Be Irish."

It's a sure bet that Northtown and Tonka band students will be grinning – Irish or not!

To reach **Mrs. Pat Setser** for details, phone her at **(816) 413-5088**.
